Education

Ball State University, Muncie, IN — *Current Student*

Major: Bachelor of Science in Business Administration

Expected Graduation: May 2028

Cumulative GPA: 3.8

Recipient of the merit-based Presidential Scholarship

Software & Entrepreneurial Experience

Violoncello Text Browser — *Creator & Developer*

- Utilized self-taught skills to create and publish Violoncello, a text-only web browser for Android (and previously iOS) devices
- Administered regular updates to over 4,500 active app users and monetized feature upgrades
- Analyzed app analytics to resolve issues, improve user retention, and ensure profitability

Lunar Apps & Web Projects — *Independent Developer*

- Engineered open-source web applications that convert modern web data feeds (e.g., WeatherAPI via PHP) for legacy hardware
 - Built numerous feature-rich websites from the ground up, using HTML, CSS, PHP, and JavaScript
 - Applied knowledge of PhotoShop to design custom iconography and edit pictures for various webpages
-

Work Experience

Kroger — *Front End Courtesy Clerk* | Muncie, IN

Feb 2026 – Aug 2026

- Engaged with store personnel and patrons to facilitate a friendly and productive work environment
 - Partnered with department supervisors to maintain store standards, assist customers, and guarantee cleanliness
 - Assisted cashiers with price checks and responding to customer concerns
-

Campus Involvement

Ball State Run Club — *Active Member*

- Regular participation in group distance runs and events
-

Skills

- **Technical & Web Development:** Applied skills in HTML/CSS, PHP, JavaScript, C#, Android and iOS App Development to create applications
- **Tools & Productivity:** Used GitHub, Microsoft Office Suite (Excel, Word, PowerPoint), Android Studio, Xcode, Photoshop, and Lightroom to work on various projects
